

APPROVAL POLICY
FOR
EXTERIOR HOME AND YARD IMPROVEMENTS

All Country Place residents who plan to make exterior improvements to their homes or grounds (i.e. fences, exterior painting, additions, tree removal) must submit their plans in writing and receive approval in writing from the Architectural Control Committee, prior to beginning their project.

Applications will be accepted by email and approvals can be given by email, however approvals from the Architectural Control Committee must be followed by a written letter of approval.

The same approval process applies to all sections of the covenants.

To find out more about the approval process please read Article II Section 8 in the covenants.
